

Grief and Bereavement Training

Facilitated by: Donald Porter, D. Min.

Aim

To train participants with effective tools and strategies on how to minister to the grieving, as well as gain biblical insights on how to offer aftercare to the bereaved.

Objectives

- Identify the dynamics of grief
- Offer a biblical model of grief
- Examine biblical precepts to manage grief and bereavement
- Gain enhanced skills and knowledge on the types of grief
- Analyze the problems children experience in the grieving process, as well as provide strategies to minister to them
- Explain the typical grief process for children and adolescents

This Seminar is for ...

- People who are coping with grief and loss
- Individuals who minister to the grieving, caregivers, and ministry leaders
